

Opportunity Fund for Developing Countries

WHO? Our Mission: Grassroots and volunteer-powered, with your help OFDC empowers women through collaborations with women-focused charities and training; educates children with school sponsorship and the giving of desks to rural schools; and enhances health for all with the funding of water wells and latrines (villagers providing 20% of the costs, your OFDC donation providing the remaining 80%). Our model is mutual collaboration – dedicated, skilled and heart-felt volunteers from both sides of the ocean learning from each other.

WHY? Consider these statistics from the United Nations Development Program:

- 1 out of 3 people in the world lack basic sanitation
- 1 out of 6 people in the world cannot write their own name
- 1 out of 6 people in the world live on less than \$1 a day
- 1 out of 6 people in the world do not have access to clean water
- Every 30 seconds a child in Africa dies from malaria

WHAT/WHERE/WHEN/HOW/HOW MANY? We put your 2013 donations to work in Kenya:

- **Empower Women:** **50** women, many of whom are illiterate, attended training in basic health, HIV/AIDS awareness & women's rights under Kenyan law. OFDC donors made it possible for **20** women to receive treatment for Vesicovaginal Fistula, a condition where a woman leaks urine and/or feces constantly often due to obstructed labor caused by female circumcision (FGM). **3** women received microcredit loans to expand their sewing business.
- **Educate Children:** **220** scholarships and/or uniforms were given to primary, secondary and college students – mostly girls & AIDS orphans. **6** students graduated from primary and secondary school and **1** young lady graduated from teacher's college. **5** schools received improvements which includes **50** school desks.
- **Enhance Health for All:** OFDC donated funds to **RESULTS** to help reach their goal of elimination of TB and malaria by the year 2015. Over **1,046** children have improved sanitation at their school due to OFDC donors funding **10** latrines (parents provide 20% of costs and unskilled labor). **1,000** condoms were given to the clinic in Narroosura.

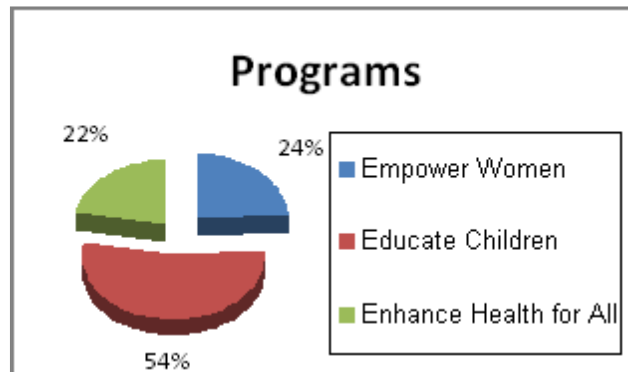

EMPOWER WOMEN	EDUCATE CHILDREN	ENHANCE HEALTH for ALL

Celebrating our 14th year – thank you!

We continue our stellar oversight of your donations as we wind down over the next few years.

We continue to make our yearly field trip to Kenya to ensure projects are completed as reported.
