**WHO? Our Mission:** Grassroots and volunteer-powered, with your help OFDC empowers women through collaborations with women-focused charities and training; educates children with school sponsorship and the giving of desks to rural schools; and enhances health for all with the funding of water wells and latrines (villagers providing 20% of the costs, your OFDC donation providing the remaining 80%). Our model is mutual collaboration – dedicated, skilled and heart-felt volunteers from both sides of the ocean learning from each other.

**WHY? Consider these statistics from the United Nations Development Program:**

- 1 out of 3 people in the world lack basic sanitation
- 1 out of 6 people in the world cannot write their own name
- 1 out of 6 people in the world live on less than \$1 a day
- 1 out of 6 people in the world do not have access to clean water
- Every 30 seconds a child in Africa dies from malaria
